

Cost matters

Our Dental Care Cost Estimator makes it easy to compare costs

You should have the ability to easily compare prices for different services and products. That's why Delta Dental created an enhanced tool to help you find the best prices on the dental care you need to maintain good oral health.

Our Dental Care Cost Estimator is an easy-to-use tool that provides estimated cost ranges on common dental care needs for local dentists. Subscribers can compare costs for nearly 60 of the top reasons people visit the dentist.

It's easy!

- Visit DeltaDentalSC.com/Members/Cost-Estimator
- Click on "Subscriber Access"
- Log in with your username and password. If you do not have an account, you can create one by clicking "Create an account"
- Enter your zip code, treatment type, and dentist name
- Click "Submit" to view your cost estimation

View the Delta Dental Cost Estimator on our mobile app

- Download our mobile app in the Apple app store or Google Play store by searching for Delta Dental Mobile App.
- Log in or create a new account.
- Click on "Cost estimator"

The Dental Care Cost Estimator provides an estimate and does not guarantee the exact fees for dental procedures, what dental benefits your plan will cover, or your out-of-pocket costs. Estimates should not be construed as financial or medical advice. For more detailed information on your dental care costs, please consult your dentist or your Delta Dental.
