Flexible Eyewear Allowance

With the flexible eyewear allowance, members can purchase exactly what they want — frames, lenses, contact lenses, sunglasses, special lens options, or any combination of these items. All eyewear brands and manufacturers are covered.

Non-Prescription Eyewear

Non-prescription eyewear is covered by the vision plan, including sunglasses, blue-light-blocking glasses, safety glasses, and readers. All members can take advantage of using their eyewear allowance!

Out-of-Network Reimbursement Flexible Eyewear Allowance

Members who obtain exams and/or eyewear from a non-credentialed provider still receive their full covered benefit. After submitting a claim form, the member will be reimbursed minus any applicable copays.
