VISION CARE MATTERS

Eye care goes beyond vision. Your eyes say a lot about you — from your emotions to your overall health. Being proactive about protecting your eyes makes a clear, positive impact. Regular eye exams not only correct vision problems, but they also can reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes.[1] So put yourself on a path to better health by scheduling eye exams annually.

KEEP ON SAVING

You can use your DeltaVision discount as often as you like all year long on nearly all your vision care purchases at participating providers.
