

personify HEALTH

Health and wellbeing benefits at your fingertips

Introducing Personify Health

Healthcare and wellbeing management—all in one place

Get ready for a new level of personalized health! Starting January 1, 2027, you'll have access to the Personify Health enhanced digital experience. This all-in-one personalized platform makes it easy to navigate your benefits and puts powerful wellbeing tools right at your fingertips.

With the Personify Health member platform, you'll be able to:

- View your plan status (deductible and out-of-pocket)
- Access digital health plan ID cards
- Review medical claims
- Find in-network providers
- Create healthy habits
- Keep track of your wellbeing goals and priorities
- And so much more!

Go to **app.personifyhealth.com** or scan this QR code to download the mobile app and be on the lookout for more information on how to access your Personify Health account.

Questions about your new member portal? Contact Personify Health member support at the number on the back of your ID card.
