

Delta Dental PPO plus Premier

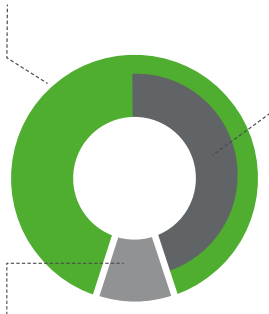

Two Networks, More Choices

Delta Dental's unique dual network gives you more choices from a broader selection of dentists by utilizing two networks — Delta Dental PPO™ and Delta Dental Premier®.

Delta Dental PPO provides you with the **lowest out-of-pocket costs**. That's because dentists who participate in the PPO network have agreed to accept lower reimbursements for services. The Delta Dental PPO network includes 41% of all Iowa dentists[1] and 57% of all dentists nationally[1].

Delta Dental Premier is the **largest dental network in the nation**, with 92% of all dentists in Iowa[1] and 76% of dentists nationally[1] participating. Delta Dental Premier gives you a wider selection of dentists while keeping out-of-pocket costs economical.

In-network dentists offer you the greatest savings.

You are free to go to any dentist, but may save more money by going to a PPO or Premier network dentist. Plus, network dentists have agreed not to charge more than Delta Dental's maximum allowed fees — *and* they won't balance bill you the difference between the maximum allowed fees and their regular fees. See example below.

	< GREATEST PATIENT SAVINGS TO LEAST PATIENT SAVINGS >
