AMPLIFON DISCOUNTS

See–and hear–life to the fullest

Hearing changes, whether temporary or indicative of permanent damage can occur gradually and go unnoticed. Regular hearing screenings every 3 to 5 years, and annual tests for those over 50, are crucial. That's why we give you access to affordable hearing care discounts through Amplifon.

HEARING EXAMS IN-PERSON OR ONLINE

Amplifon's guided virtual services allows you to confirm if hearing loss is detected from the comfort of home.

In-person hearing evaluation at a network clinic near you.
A hearing care professional will work with you to complete an in-depth evaluation of your hearing and propose solutions if hearing loss is detected.
