EYEMED APP

Vision benefits wherever you go

The EyeMed App makes it simple to manage your vision benefits anytime, anywhere.

EVERYTHING YOU NEED IS IN THE APP

- View benefits and eligibility
- Track and manage claims
- Access your digital ID card
- Find in-network eye doctors with the Provider Locator
- Schedule an Uber or Lyft to your appointment
- Upload and save your prescription
- Get special offers and savings
- Set reminders for exams and contact lens replacements
- Explore interactive vision guides and FAQs

This information is available broadly and is not plan or state specific. Special offers are not valid in the state of Texas.
