

Precertification Reminder

Planning medical care?

Ensure you're covered by checking if precertification (prior authorization) is required.

Key Services That Often Require Precertification:

- Hospital Admissions
- Chemotherapy & Radiation
- Surgery (especially if over $4,000)
- Physical & Occupational Therapy
- Advanced Imaging (CT, MRI, PET)
- Dialysis, Transplants
- Durable Medical Equipment (over $1000)
- Home Health & Hospice Care
- Sleep Studies

Precertification Steps:

Have your provider contact AmeriBen Medical Management at 888-235-3812
If your provider uses an online portal, they should use AVAILITY.

What You Can Do:

Share this flyer with your provider.
Remind them to obtain prior authorization.
Confirm authorization with your provider before the service.
