

No caregiver when you need to work?

Find Backup Care for the people you love

Whether it's a closed school, a sick nanny, or a senior caregiver on vacation, Backup Care offers flexible options to manage care gaps and keep your workday running smoothly.

Find trusted care for kids and adults without the stress.

Booking Backup Care is easy

- 1 Request care** online, through the app, or by calling 855-781-1303
- 2 Choose the care option that fits:** in-home or in-center*
- 3 We'll match you to a caregiver,** so you can save time, stress, and money

If in-network care is not available, you may be eligible for reimbursement for using a caregiver from your personal network.

*In-center care is available for children only
