EYEMED APP

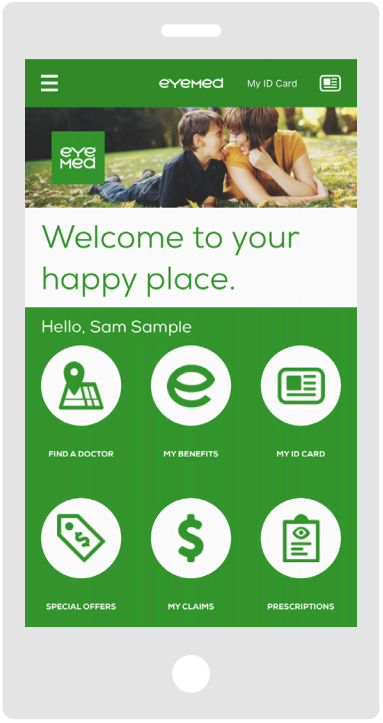

Employees on the go? Now their benefits are, too.

Our revamped EyeMed App brings fresh new features to help employees get the most from their EyeMed experience – anytime, anywhere.

FEATURES MEMBERS LOVE PLUS NEW FEATURES TO EXPLORE:

- Benefits and eligibility
- Claims tracking
- Special offers to help members save more
- Provider Locator to find in-network eye doctors
- ID card at-a-shake
- Upcoming exam reminders
- Contact lens replacement reminders
- Wellness interactives to help members see and live their best
- Facial Recognition, Touch ID and Apple Wallet for Apple users
- Helpful FAQs

ARE EMPLOYEES STILL USING THE OLD APP?

Make sure to let employees know they should snag the newest version with our latest features now as technical support for the old version ends soon.

Employees can download the new app from App Store or Google Play
