

NOTICE TO EMPLOYEES

**Your employer has provided for the payment of
Benefits under the Workers' Compensation Act of this State**

IN CASE OF WORK-RELATED INJURY

IN THE EVENT OF AN EMERGENCY, PLEASE GO TO THE NEAREST HOSPITAL FOR TREATMENT.

- If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prostheses, including training in their use.
- In order to ensure that your medical treatment will be paid for by your employer or the insurance company, **you must immediately notify (advise) your supervisor of your injury**, and be treated by one of the licensed physicians or practitioners of the healing arts listed below:

- You must continue to visit one of these persons listed above, if you need treatment, for ninety (90) day from the date of your first visit. If you do not, your employer may not be required to pay these services.
- After this ninety (90) day period, if you still need treatment and your employer had provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: your licensed physician or practitioner of the healing arts files reports as required. (These reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues.)
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed physician or practitioner of the healing arts of your choice.
- If one of the persons listed above refers you to another licensed specialist, your employer or his insurer will pay the bill for these services.

REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR INJURY

If you need medical attention, you may choose one of the providers listed here. Your Employer and its Insurance Carrier utilize the Genex Services, LLC Network. For a complete listing of providers, or to verify whether a particular doctor is part of the network, please send an email to: PanelRequests@genexservices.com. If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services. Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.

Above is a listing of physicians and medical facilities for your use in obtaining workers' compensation medical care. The physicians and medical facilities listed above are independent contractors and are not the agents or employees of Genex Services, LLC. The physician and medical facility information is intended to assist in directing the medical care of employees with workers compensation claims where allowed by state law. The information contained herein is subject to change without notice and Genex does not warrant the accuracy of the information or the quality of medical care.

- You must continue to visit one of these persons listed above, if you need treatment, for ninety (90) day from the date of your first visit. If you do not, your employer may not be required to pay these services.
- After this ninety (90) day period, if you still need treatment and your employer had provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: your licensed physician or practitioner of the healing arts files reports as required. (These reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues.)
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed physician or practitioner of the healing arts of your choice.
- If one of the persons listed above refers you to another licensed specialist, your employer or his insurer will pay the bill for these services.

REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR INJURY

If you need medical attention, you may choose one of the providers listed here. Your Employer and its Insurance Carrier utilize the Genex Services, LLC Network. For a complete listing of providers, or to verify whether a particular doctor is part of the network, please send an email to: PanelRequests@genexservices.com. If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services. Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.

Above is a listing of physicians and medical facilities for your use in obtaining workers' compensation medical care. The physicians and medical facilities listed above are independent contractors and are not the agents or employees of Genex Services, LLC. The physician and medical facility information is intended to assist in directing the medical care of employees with workers compensation claims where allowed by state law. The information contained herein is subject to change without notice and Genex does not warrant the accuracy of the information or the quality of medical care.

- You must continue to visit one of these persons listed above, if you need treatment, for ninety (90) day from the date of your first visit. If you do not, your employer may not be required to pay these services.
- After this ninety (90) day period, if you still need treatment and your employer had provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: your licensed physician or practitioner of the healing arts files reports as required. (These reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues.)
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed physician or practitioner of the healing arts of your choice.
- If one of the persons listed above refers you to another licensed specialist, your employer or his insurer will pay the bill for these services.

REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR INJURY

If you need medical attention, you may choose one of the providers listed here. Your Employer and its Insurance Carrier utilize the Genex Services, LLC Network. For a complete listing of providers, or to verify whether a particular doctor is part of the network, please send an email to: PanelRequests@genexservices.com. If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services. Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.

Above is a listing of physicians and medical facilities for your use in obtaining workers' compensation medical care. The physicians and medical facilities listed above are independent contractors and are not the agents or employees of Genex Services, LLC. The physician and medical facility information is intended to assist in directing the medical care of employees with workers compensation claims where allowed by state law. The information contained herein is subject to change without notice and Genex does not warrant the accuracy of the information or the quality of medical care.

Above is a listing of physicians and medical facilities for your use in obtaining workers' compensation medical care. The physicians and medical facilities listed above are independent contractors and are not the agents or employees of Genex Services, LLC. The physician and medical facility information is intended to assist in directing the medical care of employees with workers compensation claims where allowed by state law. The information contained herein is subject to change without notice and Genex does not warrant the accuracy of the information or the quality of medical care.

NOTICE TO EMPLOYEES

Your employer has provided for the payment of
Benefits under the Workers' Compensation Act of this State

IN CASE OF WORK-RELATED INJURY

IN THE EVENT OF AN EMERGENCY, PLEASE GO TO THE NEAREST HOSPITAL FOR TREATMENT.

- If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prostheses, including training in their use.
- In order to ensure that your medical treatment will be paid for by your employer or the insurance company, **you must immediately notify (advise) your supervisor of your injury**, and be treated by one of the licensed physicians or practitioners of the healing arts listed below:

- You must continue to visit one of these persons listed above, if you need treatment, for ninety (90) day from the date of your first visit. If you do not, your employer may not be required to pay these services.
- After this ninety (90) day period, if you still need treatment and your employer had provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: your licensed physician or practitioner of the healing arts files reports as required. (These reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues.)
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed physician or practitioner of the healing arts of your choice.
- If one of the persons listed above refers you to another licensed specialist, your employer or his insurer will pay the bill for these services.

REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR INJURY

PLA - FIT FRANCHISE - 331191
1332 Hanover Ave
Allentown, PA 18109

If you need medical attention, you may choose one of the providers listed here. Your Employer and its Insurance Carrier utilize the Genex Services, LLC Network. For a complete listing of providers, or to verify whether a particular doctor is part of the network, please send an email to: PanelRequests@genexservices.com. If your situation is a medical emergency requiring immediate attention, dial 911 or proceed to the nearest hospital which provides emergency services. Use of network does not confirm or verify compensability under the Workers' Compensation Act, which is determined solely by the claims administrator.
