How to register for biometrics via Rally

- Visit weRally.com
- · Login or register
- Navigate to the **Home** tab
- Scroll down to the Your Numbers section and select the Learn More About Biometrics program tile to access your Biometrics Dashboard
- Select Register Now to begin registration on the Quest site. You will arrive at the Quest Diagnostics site.
- Read through the Quest Diagnostics Terms and Conditions
- Scroll to the bottom and select the Accept & Continue button

- If custom consent is required for your program, you will need to read through the consent and select I accept
- Then select the green **Continue** button

- Verify/complete all of the information under **Enter Your Information**
 - Please note that an email address is required and will be used in a case where you need to retrieve your username or reset your password
- Verify/complete all of the information under **Mailing Address**
- Select if you would like to receive appointment reminders from Quest Diagnostics Health & Wellness
- select the green Save button

- · After registering, you will arrive at the dashboard
- Under the **Why should you participate** section, you will see any program-specific information from your employer, if applicable

Why You Should Participate

Biometric screening information may prevent or delay chronic conditions and complications such as hypertension, heart disease and diabetes. A screening includes a blood pressure check, height and weight measurement, and a lipid and glucose profile, which is a group of tests to determine the risk of coronary heart disease.

Biometric Screening

To get started, select an appointment method below.

Lab Patient Service Center

Schedule a screening at a nearby Quest Diagnostics lab location.

Schedule a Screening >

Physician Results Form

Download a form that your health provider completes with your recent test results.

About Your Program

Here is an awesome reward offered by your company for completing the biometric screening or annual physical AND health survey.

To avoid your 2023 surcharge, you and your spouse (if applicable) must complete all activities by 4/30/2022. New hires and their spouses (if applicable) with medical effective dates 5/1 and after must complete the activities within the first 60 days in order to avoid the 2023 surcharge.

Your overview will update automatically as you make progress, and you will earn the amount shown in the progress bar below once both activities are completed. Some activities will take time to process, so don't worry if an action isn't updated right away. If you have questions, check out the FAQ and Rally's Rewards Rules, which apply to any rewards you earn.
