

INTERNATIONAL TRAVEL

3 QUESTIONS YOU NEED TO ASK BEFORE YOU GO

Worried about medical coverage abroad? Pack peace of mind! Get three key questions to ask about your health plan to help you prepare for the unexpected.

1 What does my current health plan cover when I travel abroad?

US plans vary - some offer international care, **some don't**.

Knowing your coverage protects you in case of emergencies.

2 What gaps in international coverage do I need to fill?

Even with international coverage, your plan *may not* pay everything.

Also, expect higher costs since overseas providers are often out-of-network.

3 What will ensure I'm completely covered while traveling?

Need extra travel medical coverage? Your health insurer might offer it, but you can also buy standalone plans or a comprehensive travel insurance policy (including trip cancellation, delays, lost luggage, and more).
