MY SAVINGS OPPORTUNITIES

Save on Your Prescriptions

MedOne is dedicated to ensuring you have access to the most appropriate prescription at the most affordable price. Therefore, we want to help you save on your prescriptions if you can! The My Savings Opportunities feature on the myMedOne Member Portal can help you do just that. By visiting **my.medone-rx.com,** you can see if there is an opportunity to save on your prescriptions.

How to View Savings Opportunities

In myMedOne, there are two ways to see if there are savings opportunities available to you.

Option One:

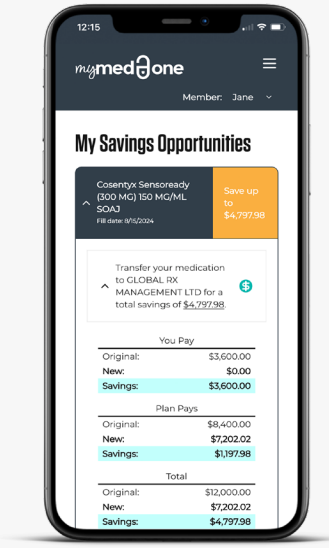

- On the homepage, locate the **VIEW MY PRESCRIPTION** option in the My Recent Rx Fills section.
- Select the yellow button at the top to be routed to the My Savings Opportunities tab where you can learn more and review the savings opportunities.

OR

- In your medication history, if there is a savings opportunity, it will be marked in the list with a yellow bar.

Option Two:

- From the homepage, navigate to **MY FILL HISTORY** option under **CLAIMS** in the main menu and follow the steps above.

My Savings Opportunities will outline if and what medication(s) are available at a lower price. You can expand the results to show how you can save on that medication by switching to a different pharmacy. You can further expand the pharmacy options to see how much you and your plan can save if you switch and how to go about doing so.
