Marketplace Integration

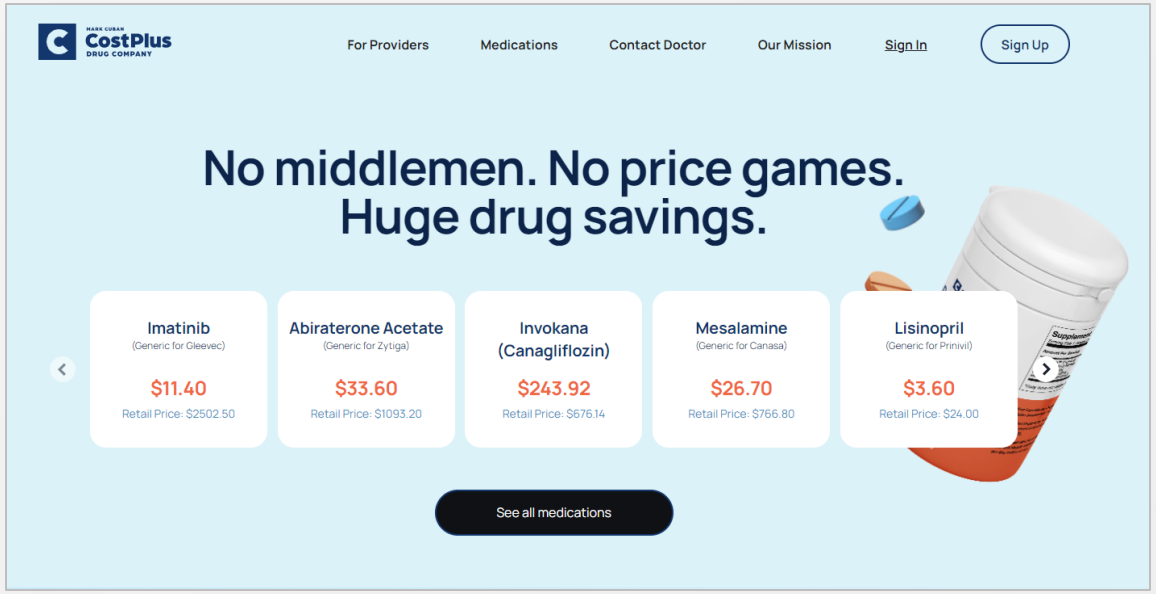

MedOne adds Mark Cuban Cost Plus Drug Company to its network to deliver significant prescription benefit savings for our clients and members

New Integration with MCCPDC

Effective August 15, MedOne is integrated with Mark Cuban Cost Plus Drug Company, unlocking exclusive pricing and rates per MCCPDC's contracts while providing seamless integration and savings for MedOne members.

Member Perks:

- Easier access to more cost-effective medications
- Tracking capabilities to members' deductible and out-of-pocket maximum
- Mail order convenience

"We already offer transparent, low prices to cash-pay consumers and are excited to now be working with PBMs like MedOne to further reduce the cost to patients, and to keep the patient record complete from both a clinical and financial perspective."

- Dr. Alex Oshmyansky, CEO of MCCPDC
