Teladoc® HEALTH

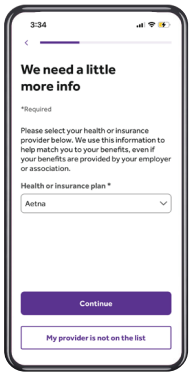

How to set up your Teladoc Health account

Simply download the Teladoc Health app and follow the four steps you see below.

1. Confirm benefits

Provide some information about yourself to confirm your eligibility.

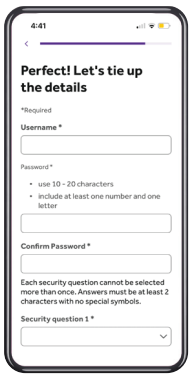

2. Select benefit provider

Confirm the coverage that has been matched to you. Please note your care option through your employer group will pop up here if a match is found. Click "Continue" to proceed with account set up.

3. Create account

Provide your contact information.

4. Complete account

Create a username, password and pick security questions to ensure your account is secure.

Once your account is created, eligible dependents under 18 years of age can be added in your account settings under the primary member. Dependents older than 18 should follow the steps above to create their own account.
