Same-Day, In-Home Medical Care

DispatchHealth brings medical care to you, in the comfort of your home.

Getting the medical care you need can be inconvenient and expensive—that's why we're bringing you a new way to receive medical care. DispatchHealth offers safe, convenient and affordable medical care in your home for urgent health needs that do not require an ER visit.* Get the care you need and recover comfortably at home.

How It Works

1

Request care: You can request DispatchHealth's services by calling 888-646-9870 or visiting our website at [DispatchHealth.com](https://www.DispatchHealth.com). We are available 7 a.m. – 10 p.m., 7 days a week including holidays. No pre-registration required!

2

Explain Your Symptoms: You'll provide a few details about your illness or injury and other information like your primary care provider's name.

3

A Medical Team You Can Trust: We arrive within a few hours to provide treatment. Each team includes a nurse practitioner or physician assistant, along with a medical technician. An on-call emergency medicine physician is always available by phone for consultations.

4

We Take Care of the Rest: We will call in any prescriptions you might need, update your doctor and process billing.

For non-life-threatening injuries and illnesses, call DispatchHealth at 888-646-9870.

An Affordable Healthcare Solution

We've got you covered.

DispatchHealth is in-network with most insurance, including Medicare and Medicare Advantage and is often the same out-of-pocket cost of an in-network urgent care center. The percentage of the total bill you're responsible for is determined by your insurance plan.

"DispatchHealth's medical team listened to my issues, thoroughly went through the diagnosis, wrote a prescription and advised on recovery—all from the comfort of my couch. DispatchHealth is amazing!"
