

Better Blood Pressure, Simplified

The Livongo for Hypertension program offers a simple, advanced blood pressure monitor combined with the power of personalized coaching 100% paid for by your employer.

Program includes trends and support on your secure Livongo account and mobile app but does not include a tablet or phone.

It's all for you and all on the house.

Personalized
tips with each
blood pressure
check

Support
when you
need it most

Set reminders
on when to
check your
blood pressure

Easily share
readings with your
doctor, if and
when you want to

Automatic
uploads mean
no more writing
down numbers

Personalized Support, Just For You
