You may be able to enroll if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption. However, you must request enrollment within the time specified by your employer or group sponsor after the qualifying event.

Please note that if you or your dependents are not covered by minimum essential coverage, you may be responsible for individual shared responsibility payments when filing your federal income tax return. Also, by declining the coverage offered by your employer, you or your dependents may not be eligible for Marketplace coverage subsidies.

To request special enrollment or obtain more information, refer to your Summary Plan Description (SPD), coverage manual, other benefits documents, or contact your employer.
