

Healthcare Simplified To \$0

You have access to healthcare for \$0 through ZERO because your employer partners with ZERO to reduce the cost of healthcare for you and for them!

When your doctor recommends care such as a CT-scan or MRI, GI procedure, even to see a specialist about possible surgery, reach out to ZERO to see if it's covered.

Register for myZERO for easy access to Personal Health Assistants, your ZERO Member ID card and to search for care

How To Get Care With ZERO

Step 01

Connect with your Personal Health Assistant to see if care is covered.

Step 02

ZERO will help you find a provider and send your order over to them.

Step 03

The provider gets you scheduled for the care you need, for \$0. **Yep, ZERO.**
