

Get safety eyewear at a great value

UnitedHealthcare Vision offers a safety eyewear plan designed to help you protect your eyes on the job. With this plan, you'll receive a $60 retail frame allowance that may be applied toward the retail purchase of safety eyewear.*

These items are included in the plan and available for purchase from participating network providers:

- Single-vision lenses
- Lined bifocal lenses
- Lined trifocal lenses
- Polycarbonate lenses
- Side shields

Frame allowance

$60

toward the purchase of safety frames**

Choose safety eyewear that works for you

Simply visit a UnitedHealthcare Vision network provider—they'll help you choose safety eyewear that fits your work requirement. If the eyewear cost is more than the $60 frame allowance, some network providers may offer additional discounts.

Keep in mind

- You must be enrolled in a comprehensive UnitedHealthcare Vision plan* to be eligible for the safety eyewear plan
- Dependents are not covered under the safety eyewear plan
- Out-of-network benefits are not available
- Safety eyewear benefits are available only through UnitedHealthcare Vision network providers
- The safety eyewear benefit is in addition to your regular vision plan for an additional premium
