***TransConnect*[®], underwritten by Transamerica Life Insurance Company**

Even though you have major medical insurance, it may not comprehensively cover everything — potentially leaving you with high medical bills. *TransConnect* supplemental medical insurance helps you cover those out-of-pocket expenses such as deductibles, co-insurance, and some co-pays*, so you don't have to dip into your savings or go into debt.

MEET MCKENZIE

McKenzie was enjoying the summer in her new sandals and didn't pay much attention to a cut on her foot. A few days later, she developed an infection that led to three days in the hospital. Thankfully, she had *TransConnect*, which helped pay for out-of-pocket expenses so she could avoid dipping into savings.

* Deductibles, co-insurance, and co-pays are only payable for covered benefits. For example, doctor's office visits are not covered benefits; therefore deductibles, co-insurance, and co-pays are not payable.

IMPORTANT POLICY PROVISIONS

Your employer selects benefit amounts, paid only for deductibles, co-insurance, and co-pays incurred when your major medical plan pays for specified treatments and care.

HOW TO SUBMIT A CLAIM

The ID card you'll receive after enrollment should be presented at time of service so providers are paid directly after your major medical carrier determines what you owe. If you don't do so at time of service, simply submit a TransConnect® claim form, UB04 or CMS1500 (the itemized service provider's bill), and the Explanation of Benefits (EOB) from the major medical carrier showing what you owe after what they paid.
