

Making health checkups easier for **YOU**

No hassles. No hoops to jump through. No cost to you.

1

Order your Home Kit

Signing up takes less than 2 minutes. It has everything you need to complete your assessment in a few short minutes. And, we've included a little something extra, just for you.

2

Complete your checkup on your schedule

Follow the instructions inside your Home Kit and return your lab sample to us using the enclosed return packaging. Most people return their sample in 2-3 days.

3

Attend your private, virtual consultation

We'll contact you to find a convenient time for you to review your results and develop a personalized action plan with a licensed nurse practitioner.
