

Now you can use your vision benefits to shop online

More reasons to shop online:

- Enjoy free shipping and returns.
- Make the most of discounts on contact lens supplies.
- Get the perfect fit with free frame adjustment or contact lens consultation from your participating in-network doctor.

You can save 20% off on any additional eyewear purchases, even if you've already used your benefits for the year.

Gadget Review a consumer blog voted Eyeconic as the best place to buy eyeglasses online. Check out what they have to say at gadgetreview.com!

Find your look with Eyeconic® and your MetLife Vision benefits. We're working with Eyeconic to bring you the best savings¹ on fashionable prescription eyewear.

Discover your perfect look

Put yourself in the picture and test your favorite styles using the virtual try-on tool. You can explore a variety of frames to find your favorite look. If you're not sure what suits you best, you can share your picture with friends and get their style tips.

Tailored to your style

Shop for your favorite designs from brands like Calvin Klein, Cole Haan, Nike, and more. We'll even help you find a participating in-network doctor to get your prescription.

Check out the savings

There's no guesswork. Your benefits are applied before you make your purchase, so you'll see instant savings¹ on glasses, sunglasses and contact lenses.
