Incontestability

This *plan* is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this *plan* shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled within 60 days after we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

Workers' Compensation The *accident and health* benefits provided by this *plan* are not in place of, and do not affect requirements for coverage by Workers' Compensation.

ELIGIBILITY FOR DISABILITY COVERAGE

B329.0002

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 22.5 hours per week), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

CGP-3-EC-90-1.0

B329.0881

When Your Coverage Starts

Employee benefits that don't require proof that you are insurable are scheduled to start on your effective date.

Employee benefits that require such proof won't start until you send us the proof and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, your effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

If you were previously covered under this *plan* and your coverage ended due to a temporary lay off or leave of absence, you will be eligible for insurance under this *plan* on the date you return to active *full-time* work, provided: (a) you return to active *full-time* service within 12 months of the date your coverage ended; (b) you were covered under this *plan* on the day before your coverage ended; and (c) you enroll for coverage within 31 days of the date you return to active *full-time* work.

Upon return to active *full-time* work, a new effective date will be established according to the actively at work rules above.

CGP-3-EC-90-2.0

B329.1151-R

**Delayed Effective
Date For Disability
Coverage**

With respect to this *plan's* disability insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

CGP-3-DEF-97

B329.0103

**When Your
Coverage Ends**

Your short term disability coverage ends on the last day of the month in which your active *full-time* service ends for any reason, except as noted below under "Continuation of Coverage During Disability" and "Coverage During Temporary Layoff or Leave of Absence".

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Continuation of Coverage During Disability

If you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan's* pre-existing condition provision; and (b) the period for which benefits are payable under the *plan*. However, if no benefits are payable under this *plan* due to application of the *plan's* exclusion for a job related injury or sickness, coverage will remain in force until the earlier of the date: (a) you are terminated from employment with the employer; or (b) you have been disabled for six months.

Coverage During Temporary Layoff or Leave of Absence

If your active *full-time* service ends because you are laid off or on an *employer* approved leave of absence, your insurance may be continued, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or *employer* approved leave of absence; and (b) three months following the date the temporary layoff or approved leave of absence begins. If you become disabled under this *plan* while your coverage is being continued during a temporary layoff or leave of absence, your eligibility for benefits will be governed by all the terms of this *plan*.

An Employee's Right To Continue Group Short Term Disability Income Insurance During A Family Leave Of Absence

Important Notice	This section may not apply to an <i>employer's</i> plan. You must contact your <i>employer</i> to find out if your <i>employer</i> must allow for a leave of absence under federal law. In that case the section applies.
Continuation of Disability Coverage	Short term disability income coverage may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your <i>employer</i> to find out if you may continue this coverage.
If Your Group Insurance Would End	Group short term disability income insurance may normally end for an <i>employee</i> because he or she ceases work due to an approved leave of absence. But, the <i>employee</i> may continue his or her group coverage if the leave of absence has been granted: (a) to allow the <i>employee</i> to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the <i>employee's</i> own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the <i>employee</i> is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The <i>employee</i> will be required to pay the same share of the premium as he or she paid before the leave of absence.

This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.

Any changes to this *plan* that take place: (a) while you are *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect your benefit.

CGP-3-STD07-4.0

B340.0014

Redetermination This *plan* redetermines *insured earnings* for each covered person on January 1st . Each January 1st , the *plan sponsor* must report current *insured earnings* for all covered persons under the *plan*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

CGP-3-STD07-4.1

B340.0042

Other Income Benefits You may receive, or be entitled to receive, income shown in the list below. We will reduce your gross weekly benefit by such other income benefits to determine your weekly benefit from this plan.

- Commissions or monies: (1) received; (2) payable but deferred; or (3) paid after disability benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; (d) profit sharing; and (e) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the plan sponsor; or (2) the employer. This includes payments made by a group life insurance plan due to your disability. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan; but, if the other group plan was in force prior to this plan, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.

- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
 - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your disability;
 - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
 - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your gross weekly benefit by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of disability. We will reduce the gross weekly benefit by marginal increases in such income you and your dependents were entitled to receive after disability begins.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Income of the type that is included in your insured earnings for purposes of determining your gross weekly benefit under this plan.
- That portion of retirement plan retirement benefits which the employer funds.
- That portion of retirement plan disability benefits which the employer funds.
- Retirement benefits or retirement plan disability benefits, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.
- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.

- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

CGP-3-STD07-4.2

B340.0022

Other Income Not Subject to Deduction

We will not reduce your *gross weekly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans;
- Income from a sick leave, salary continuance, or Paid Time Off plan.

Lump Sum Payments of Other Income

Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

Cost of Living Freeze

You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

Application for Other Income

You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

Adjustment of Weekly Benefit for Disability Earnings

We adjust the *weekly benefit for disability earnings* as follows.

We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

We reduce Your Weekly Benefit by 50% of Your Disability Earnings.

Method 2:

- (a) Subtract Your Disability Earnings from Your Insured Earnings.
- (b) Divide the result in (a) above by Your Insured Earnings.
- (c) Multiply the result in (b) above by Your Weekly Benefit. This is the amount We pay.
- (a) If the sum of your *gross weekly benefit* and your *disability earnings* is not more than 100% of your *insured earnings*, we do not reduce your *weekly benefit*.
- (b) If the sum of your *gross weekly benefit* and your *disability Earnings* is more than 100% of your *insured earnings*, we reduce your *weekly benefit* by the amount over 100% of your *insured earnings*.

If your *disability earnings* fluctuate widely from week to week, we may adjust your *weekly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current week's *disability earnings* and the prior two weeks *disability earnings*.

Maximum Allowable Disability Earnings

This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than 80% of your *insured earnings*.

CGP-3-STD07-5.0

B340.0108

Minimum Payment The minimum weekly payment for *disability* under this *plan* is the larger of:
(a) 10% of your *gross weekly benefit*; or (b) \$25.00.

CGP-3-STD07-5.1

B340.0077

Pre-Existing Conditions A pre-existing condition is an *injury* or *sickness*, whether diagnosed or misdiagnosed, and any symptoms thereof, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) undergo diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a *doctor*;
- (c) are prescribed or take prescription drugs; or
- (d) receive other medical care or treatment, including consultation with a *doctor*.

The "look back period" is the 3 months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

For any *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition, we limit the *maximum payment period* to 2 weeks; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

Disability that is: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

CGP-3-STD07-6.1

B340.0052

Prior Coverage Credit If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum weekly benefit* under this *plan* if: (a) it is more than the maximum weekly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum weekly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

CGP-3-STD07-6.2

B340.0053

- (c) you taking part in a riot or civil disorder;

In the case of a non-prescription drug, we do not pay for any loss resulting from or contributed to by your use in a manner inconsistent with package instructions. A controlled substance is anything called a controlled substance in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970, as amended from time to time;
- (f) intentional self-inflicted injuries; or

- (2) during which you are receiving medical treatment or care outside the United States or Canada unless expressly authorized by us;
- (3) which starts before you are insured by this *plan*; or
- (4) during which your loss of earnings is not solely due to your *disability*.

Services

Rehabilitation and Case Management

We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *weekly benefit* if you do not accept it.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;
- (c) consulting with your *doctor* on your return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining; and
- (f) assistance with child care expenses you incur in order to participate in a *rehabilitation program*. (See the Dependent Care Expenses section of this *plan*.)

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *weekly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *weekly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefits from this *plan* end;
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

Dependent Care Expenses While you are participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) you incur expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

A qualified dependent is: (a) dependent upon you for main support and maintenance; and (b) under the age of fourteen and your: (i) biological child; (ii) lawfully adopted child; (iii) stepchild; or (iv) any other child who is living with you in a regular parent-child relationship.

The dependent care expense benefit will be the lesser of: (a) \$100 per week per qualified dependent; not to exceed \$300 per week for all qualified dependents combined; and (b) the actual weekly day care expense incurred by you.

We will stop paying the dependent care expense benefit on the earlier of the date you are no longer: (a) incurring dependent care expenses for a qualified dependent; (b) participating in a *rehabilitation program*; or (c) entitled to receive a *weekly benefit* from this *plan*.

**Worksite
Modification Benefit**

In order to accommodate your *disability*, an employer may incur a cost to modify your worksite. We may reimburse the employer, up to \$2,500 for the cost of the worksite modification. We make this payment if we agree that the modification will enable you to: (a) return to work; or (b) remain at work.

CGP-3-STD07-8.1

B340.0058

Supplemental Benefits

**The Survivor
Benefit**

We may pay a survivor benefit if you die after you: (a) had been *disabled* for at least five weeks in a row; and (b) were entitled to receive a *weekly benefit* for at least four weeks prior to your death. When we receive proof of your death, we pay your eligible survivor a lump sum benefit.

We pay a benefit equal to 2 times the amount of your last *weekly benefit* after it is reduced by *disability earnings*. But, we first apply such benefit to reduce any overpayment you may owe us.

If you have no eligible survivor, no survivor benefit is paid.

Your eligible survivor is your spouse, if living.

If your spouse is not living, your eligible survivor is your: (a) unmarried child under age 20; and (b) unmarried child under age 26 who is enrolled as a full-time student at an accredited school. If there is more than one such child when you die, this benefit will be paid to each child in equal shares.

Right to Request Medical, Financial or Vocational Assessment We may ask you to take part in a medical, financial, vocational or other assessment that we feel is necessary to determine whether the terms of the *plan* are met. We may require this as often as we feel is reasonably necessary. We will pay for all such assessments. But, if you postpone a scheduled assessment without our approval, you will be responsible for any rescheduling fees. If you do not take part in or cooperate with the assessment, we have the right to stop or suspend your payments under this *plan*.

We pay benefits on a biweekly basis at the end of the period for which they are payable.

CGP-3-STD07-12.12

B340.0067

Insured Earnings: Only a covered person's earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of the covered person's *insured earnings* as of the Redetermination date immediately prior to the start of his or her *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 52.

- (a) His or her compensation as an employee or S Corporation shareholder, as reported on his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) His or her non-passive income (loss) from trade or business as reported on Schedule E-Part II of his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on his or her Return; and
- (c) His or her contributions during the prior calendar year, deposited into a:
 - (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and
 - (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

The covered person may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, the covered person's earnings are based on the weekly average of the sum of the listed amounts, averaged for the full number of weeks that he or she was a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average weekly net profit as determined from Schedule C - Part II of the covered person's Federal Income Tax Return, Form 1040, for the prior calendar year; plus (b) the covered person's average weekly contribution during the prior calendar year deposited into a:

- (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and
- (ii) a Section 125 plan or flexible spending account.

Weekly net profit is calculated as gross income less total expenses. The covered person may not have been a sole proprietor for the previous calendar year. In this case, we calculate average weekly net profit and average weekly contributions using the full number of weeks that he or she was a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means the covered person's average rate of weekly earnings determined from his or her annual contract salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means the covered person's average rate of weekly earnings as figured from the 1099 form received from the *employer* for the prior calendar year, calculated as (a) minus (b), divided by 52 or the number of weeks the covered person worked for the *employer* during such calendar year, if less than 52.

- (a) his or her earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of his or her Federal Income Tax Return, Form 1040.

Insured earnings also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

Insured earnings means a covered person's base weekly salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America
10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group Short Term and/or Long Term Disability Income benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information
about Your Plan and
Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Disability Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit
Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you and vocational professionals who evaluated you;
- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;

- If applicable, an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on appeal, and;
- In the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

**Appeal of Adverse
Benefit
Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.
