

Should you enroll in Medicare?

Make informed decisions about your healthcare future.

Over 11,000 Americans turn 65 every day. With so many changes on the horizon, it's important to understand your options. Don't let confusion hold you back from deciding what's right for you.

Medicare enrollment requirements

Age requirement: You're eligible for Medicare when you turn 65, regardless of your health status or income level.

Citizenship status: You must be a U.S. citizen or legal resident who has lived in the United States for at least 5 continuous years.

Special circumstances: You may qualify before age 65 if you have certain disabilities or conditions like ALS or end-stage renal disease.

Get the personalized guidance you need to choose your next steps with confidence.
