

FINANCIAL SUPPORT SERVICES

Boost your financial confidence

Whether you're managing debt, planning a major purchase or adjusting to an unexpected expense, the right resources can make decisions around money feel more manageable. SupportLinc offers confidential financial consultations, practical tools, and connections to qualified professionals to help you understand your options, make informed decisions, and take your next step.

How SupportLinc helps

Personalized guidance

Talk one-on-one with a financial professional at no cost. Your consultant can help you clarify priorities and set goals, along with providing referrals to specialized experts when appropriate. Advice is unlimited, objective, and pressure-free.

Practical resources

Find expert-developed articles, short videos, calculators, worksheets and other tools covering common financial topics in clear, easy-to-understand language, all available on your web platform or mobile app.

Financial literacy

Understand how financial stress affects your emotions, health, and more with the Managing Financial Stress Guided Path. Work through this step-by-step program at your own pace to identify your biggest sources of pressure, build small and realistic steps, and strengthen your financial habits.

Get help with

- **Debt** repayment strategies
- **Credit card management**
- Creating and maintaining a **budget**
- **Saving for college** or other major goals
- **Home buying** and other major purchases
- **Bankruptcy** education and alternatives
- **Identity theft** prevention and recovery
- Preparing for **life changes** and unexpected expenses

Connect with support today

Call SupportLinc 24/7/365 to speak with a Care Advocate and set up a financial consultation. They can listen to your concern, help identify the type of assistance you may need, share relevant resources, and connect you with available services. Care Advocates do not provide financial advice themselves.
