Who is covered by your ESI EAP benefit?

Our EAP extends benefits not only to you, but also to those living in your household. These might include:

- Children
- Parents
- In-laws
- Cousins
- Spouses
- Unmarried partners

Additionally, children living away from home are also covered, up to the age of 26.

With a nationwide network, our EAP supports your child's needs, whether they're attending college or working out of state. Regardless of your enrollment in company health insurance, all employees are covered by the EAP.
