

Evidence of insurability (EOI)

Instructions for online submission

What is EOI and when is it needed?

EOI is the information we use to verify your good health when you're purchasing insurance. We require EOI if you're:

- Buying an insurance amount higher than the guaranteed issue amount for your plan
- Already enrolled and want to increase coverage

Get started

1. Log in to **LincolnFinancial.com**. First time user? Register using company code **CHALKMOUNTAIN**. Follow the registration steps by entering the requested personal information, completing identity verification, and setting up a username and password.
2. Your information may pre-populate on Lincoln's portal. Review it and ensure that the portal is displaying the correct coverage type you're applying for. If you have questions, please contact your human resources representative.
3. Select **Complete Evidence of Insurability**.
4. Answer questions about you and other applicants, including:
 - General applicant information, such as birthdate, height, and weight
 - Qualifying questions, including if you or other applicants have been diagnosed with a disease or are prescribed medications for a medical condition
 - Medical questions — if you or other applicants have a health condition, we may need more information, such as the name, diagnosis date, and treatments.
5. Review your responses, then electronically sign and submit your application. Save your confirmation.
