Value Plan

Your dental coverage is provided through Guardian. With the Value Plan DPPO, you must see an In-Network dentist. You have lower out-of-pocket costs for Basic and Major dental services than you would with the NAP Plan option. If you already see an In-Network dentist or if you are willing to change to an In-Network dentist, the Value Plan may be a good option to save money on dental expenses. If you go to an out of network dentist on the value plan, the dentist payments are based on the discounted fee schedules agreed upon by network dentist and you will pay more for the visit than on the NAP Plan.

Network Access Plan

With the Network Access Plan (NAP) DPPO, you may see any dentist that you choose. However, In-Network dentists have agreed to accept reduced fees for the services they provide. They have also agreed not to charge you any amount that exceeds the allowable amount, aside from deductibles, coinsurance and services that are limited or not covered under the plan. This will reduce your out-of-pocket expenses. If your dentist is an out-of-network provider, dental benefits will be based on reasonable and customary charges.

DENTAL HMO PLAN

Your dental coverage is provided through Guardian. With your DHMO plan, you enjoy negotiated discounts from In-Network dentists. Out-of-network visits are not covered. You must designate and use a participating provider. You pay a fixed copay for each covered service. There are no deductibles or plan maximums. Under the DHMO Dental Plan, should your treatment plan require the services of a specialist, you will be referred to one. Please note that there is no coverage available outside of Texas.

When using a participating dentist, the amount you will be responsible for paying is the applicable copay associated with the type of service you receive. See the certificate of coverage for a list of copay amounts located on the benefits webpage (<http://www.fortbendisd.com/Page/78016>).

Cleaning Frequency: Twice per calendar year (January 1 – December 31)

Orthodontia: Available for both children and adults.
