

why VISION COVERAGE matters

Your vision plan is more than coverage for glasses.
It's an essential part of protecting your overall health and well-being.

it's truly Preventive Healthcare

Routine eye exams can **detect early signs of serious health conditions**, such as:

- Diabetes
- High blood pressure
- High cholesterol
- Glaucoma
- Macular degeneration

Early detection through *annual exams help protect your long-term health.*

REMEMBER YOUR FAMILY

- Vision is especially **important for children.**
- Be sure to **schedule** exams for **covered dependents.**

clear vision Supports Performance

Good vision helps you:

- Reduce eye strain and fatigue
- Improve focus and clarity
- Stay safe while driving and working
- Prevent headaches
- Maintain productivity

Good, comfortable vision *supports both daily tasks and long-term wellness.*

DON'T FORGET, BENEFITS RESET EACH YEAR

- Vision plans *do not roll over - use-it-or-lose-it.*
- **Eye exam** benefits renew *every 12 months.*
- **Frames or contact lens** allowances renew *annually or every 24 months.*
