Specialty Medications

Specialty Medications are those that are used to treat complex, chronic conditions like cancer, rheumatoid arthritis and MS, and often require special handling and administration. Specialty medications require prior authorization and quantity limits may apply. There are additional specialty programs you may be subjected to, login to your CVS Caremark account for more information.

Limited to 30-day at home delivery.

All Specialty Medications must be purchased through CVS Specialty. For additional information, CVS Specialty can be reached at [800.237.2767](tel:800.237.2767).

Note: The pharmacy plan has a Mandatory Generic Drug Policy in place.

If you choose a brand-name medication when a generic medication is available, you will be responsible for paying the difference in cost between the brand-name and the generic medication, plus the applicable coinsurance.
