

Welcome to Curative!

Welcome to Curative!

[\(Haz clic aquí para español\)](#)

Hi Kimberly,

Welcome to Curative! Your plan begins on 2025-10-01, and from day one, you'll have \$0 out-of-pocket costs for covered care and preferred prescriptions. You don't have to wait for your Baseline Visit to use this benefit. The Baseline Visit is simply required within 120 days to continue \$0 out-of-pocket costs for the rest of the year (more on that later).

Your first step?

Sign up for our member portal!

[Register now](#)

After registering, you can start creating Curative Passes right away—even before completing your Baseline—to make sure your care is covered at \$0. Just log into the Member Portal, search for providers, and create your Passes in just a few clicks. To learn more, visit our [EPO Value page](#).

First, create an account. You can use your SSN or your Member ID# (listed in welcome email) & your birthdate. Once you sign in, you'll be asked for basic health information.

This is how the dashboard will appear when you sign in. As listed below, the first option is to create a pass. **With the EPO Value plan, you must have an active Curative Pass for all care received.**

Hello, Kimberly Adkins
Let's connect you to care.

\$0 out of pocket with Curative Passes
Passes are not required for in-network urgent cares, pharmacies, and labs. Please also seek care at any emergency department without a pass in the event of an emergency.
