Getting your diagnosis right

When facing a cancer diagnosis, a second opinion is very important. This program provides a second opinion from **Mayo Clinic** or **Memorial Sloan Kettering**, two of the top cancer centers in the world. Both offer cutting-edge treatments, access to 95% of U.S. clinical trials, plus multi-disciplinary teams of expert physicans. They will ensure a proper diagnosis, an appropriate treatment plan, and if necessary, handle necessary surgeries or procedures at no cost or reduced cost to you.

1 IN 3 PATIENTS DO NOT HAVE THE RIGHT CANCER DIAGNOSIS

70%

70% OF **PATIENTS** ARE NOT ON THE CORRECT TREATMENT PLAN FOR THEIR CANCER

No Cost or Reduced Cost

Through this program, you have no copays or coinsurance costs for you or your family. If you are on a HDHP, there may be a reduced federal minimum required. If travel becomes necessary, all travel costs are covered at 100%.

The care you deserve in 3 easy steps:

1. **Contact an Edison Care Coordinator**
   We will discuss care options, gather records, and schedule your appointments.
2. **Receive an Expert Second Opinion**
   We provide world-class, physician-led clinical evaluations, giving you an accurate diagnosis and appropriate treatment plan at no cost.
3. **Experience Best-in-Class Medical Care**
   Your oncologist and Care Coordinator work to facilitate any procedures or surgeries in the manner that best fits your needs, doing all we can to make sure you get the care you deserve.
