

In-House Pharmacy: Helping You Save Time and Money

Your in-house pharmacy offers personalized service tailored to your needs, seamless communication with your healthcare providers, and a streamlined process that helps ensure safe and effective medication management.

A single, reliable source for your medication dispensing and education needs

Medication review, consultation, and plan support, such as requesting or tracking prior authorizations

Pharmacists with specialized training who can address any of your questions or concerns

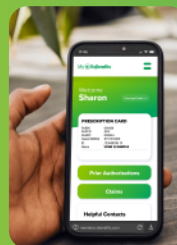

Lower copays and on-site convenience to access your most commonly used medications

Confidential, tamper-resistant, and temperature-controlled delivery of your medications

We are here to help

- **Chat:** With a live agent by registering for the RxBenefits member portal at Member.RxBenefits.com, Monday-Friday, 9:00 a.m. to 6:00 p.m. Central
